TESRenewal Username: Amoclies

Country of Residence: USA

Timezone: UTC -08 (Pacific Time)

Interested in: Coding/Scripting/Mechanics, Music, Writing, I am a novice at Java and C++, making music - without knowing how to read music -, creative writing, and very novice at art.

Level of Commitment:

Skills and Experience: I have experience with the FO4 creation kit, but it was limited; I am a programmer (Java and C++); I make remixes of songs I know on the keyboard and can endeavor to generate some unique sounds or short pieces; I can draw a little bit, but only abstract and 2D stuff, not real-looking objects; I am a creative writer by hobby; I have a Bachelor degree in software engineering; OH.... and I over 4000 hours of play time in Morrowind, Oblivion, and Skyrim.
