

Skywind Application

TESRenewal Username: MaximeG

Country of Residence: U.S.

Timezone: UTC -05 (Eastern Time)

Interested in: Music

Level of Commitment:

Skills and Experience: I have experience in games and composition, I am a film scoring and video game student at Berklee College of Music. I am currently working on games which unfortunately I cannot share the work I am doing on. I have worked with Wwise, in the past, and other sound engines such as RealSpace3D in unity. I compose music, anywhere between orchestral, to 8 bit, and textural.
