

Skywind Application

TESRenewal Username: THEbloodymary777

Country of Residence: United States

Timezone: UTC -07 (Mountain Time)

Interested in: Landscaping, Misc. Duties Such as: Applying Sound Files, Renaming files, etc.

Level of Commitment:

Skills and Experience: I have knowledge with the creation Kit as I used to make my own mods for the Construction Set for Morrowind, the many aspects between the creation kit and Construction set carry over, while I have also used the Creation kit to create my own private mods for use. While also creating public mods for the Special Edition of Skyrim found below. I also have misc skills in using Gimp and Photoshop in making Artwork, If you think any of my previous work listed below qualifies me for any other jobs within the modding community, please do let me know. I'd also be interested in learning more about Papyrus Scripting engine, as I saw on the Volunteer page that you were offering training in that

department.
