**TESRenewal Username:** Zynoq

**Country of Residence:** Sweden

**Timezone:** UTC +01

**Interested in:** Landscaping, Primarily interested in interior design but could also do basic quest scripting

**Level of Commitment:** Somewhat active

**Skills and Experience:** I was part of a modding team back on Oblivion where I worked with interior design. Link 1.

I also used the Creation Kit to develop a level for my thesis project at the university. This level wasn't at all polished but I am currently working on other ones to (re?)-sharpen my skills.
